### HOLY TRINITY PARISH Capital Campaign Funding Through Philanthropic Organization Grants

Dear Fellow Parishioners,

We want to let you know that in an effort to augment your generous donations to Holy Trinity’s church renovation capital campaign, the Capital Campaign Leadership Team (CLT) established a **Grant Team** to explore, identify and solicit financial grants from willing philanthropic organizations which support charitable organizations whose goals and objectives are a suitable match to their own.

We are happy to report below that we have met with some initial success in this challenge. This will be updated periodically to keep you current on the generosity of philanthropic organizations outside of Holy Trinity who have contributed to our church renovation capital campaign.
